Sauvignon

Riverina  
Wrattonbully

Food Pairing

February 2020

14% Alc

18°  
Serving Temp

Light  
Bodied

Full  
Bodied

### WINEMAKING

This Cabernet Sauvignon is sourced from the Nugan family's premium vineyards in Australia. The Cabernet Sauvignon was harvested in small batches at optimum ripeness in the cool of the night to preserve the premium fruit flavours. The grapes were crushed, yeasted and gently pumped over to avoid the extraction of bitter tannins. The wine was then transferred to French Oak for 9 months maturation prior to final blending and bottling.

### WINEMAKER'S COMMENTS

Deep crimson with purple hues. Enticing plum and cassis aromas mixed with hints of dark chocolate. Intense complex palate of blackcurrent and vibrant cassis with smooth velvety tannins beautifully layered with subtle French oak.

### WINE & FOOD MATCH

Thyme and garlic roasted duck, warm lamb fillet salad or glazed veal medallions.
